Announcements:

Dave Jones apologized for forgetting to mention Joe Sarnecky and Scott Cadwallader’s contributions to the Golf Tournament committee when he made his report last week. On behalf of the Club, he then recognized Dan Jones for outstanding service as Club Treasurer for the past six years and presented him with a plaque as a token of our gratitude.

Dan thanked the club for the pleasant memories shared. He will really miss everybody. Plenty of jokes surfaced about moving from beautiful San Diego weather to Iowa's heat & cold.

Rob- Club received a thank you card from a Gold Seal Banquet student, Daniela Cook. Club survey due! Those not turning theirs in will have to answer to our kinder and gentler fine master.

District Council Saturday July 31 at USD. Program is the international youth symphony concert. \$36 to register on-line.

Aug 13th, Del Mar Horse Races. Tickets \$25 apiece. Checks can be made out to the club.

Bell Notes

Rick Sharp shared some highlights about his recent trip to Egypt and Jordan. Needless to say, he had an amazing time with his wife sightseeing!

Rob Taylor shared his weekend adventure to the club. He had a great time with his buddies body surfing, however he nearly broke his nose when his face slammed hard on a sand bar. Have no fear....our President still looks handsome nonetheless!

Happy Dollars:

Rick Sharp.- 36th Wedding Anniversary, \$10

TG Vallas.- 31st Club anniversary, \$30

TG and Vic will be attending a two week National Jamboree for scouts.

Dennis, Shawn, and Rob fined for \$5 each for not being able to answer Doc Jones' question. "What is the 2011 Rotary theme?"

Program:

Harold Stidolph, our pianist "My personal journey into music"

Harold was born in Montana and raised in Wyoming. He received his BA in Education for teaching with two minors: music and art. He married in 1965 to a very talented and beautiful woman, named Gail who was a nurse. Harold has a MA degree in music. In 1973 he opened his own business by purchasing Carlsbad Florist. During his nearly 10 years in the florist industry he qualified for and was admitted to AIFD- American Institute of Floral Design which is a professional organization open only to the best floral designers in the nation. In 1981 Harold and Gail made a career change and began caring for the elderly in their home which they still do today. They have three children and three grandsons.

Harold loves music. Music is the only activity that gives him creative expression. He played beautiful pieces for the club written by him and other talented musicians.

50/50 drawing: \$22 won by my boss, David Wine. Hopefully it will go into profit sharing.

Meeting adjourned: 1:30 pm
